Dear Governor Brucker:

25X1 I wish to acknowledge the receipt on November 16 of your letter of November 12, inclosing various attachments relative to the case of [] before the Security Review Board of the Office of the Secretary of Defense.

The attachments, all of which I have carefully read, are returned herewith. The attachments seem to me to reflect a high level of governmental performance in a difficult and complicated case, and the Security Review Board's views appear to me dispassionate, clear, objective, and judicial. I think Secretary Wilson can take pride in the manner in which the result in this case has been attained.

It would not be appropriate for me to act upon your suggestion that I concur or non-concur in the result. As an individual, my concurrence or non-concurrence would be meaningless. As Special Assistant to the President of the United States, it would be beyond my authority for me to concur or non-concur in his behalf. In a case of this kind, such action by the President would be manifestly not desirable or required.

Sincerely yours,

ROBERT CUTLER
Special Assistant
to the President
